

End-of-the-year-event

For Young Researchers and their Families

1st December 2026

15:00 - 19:00 h

The end of the year provides a wonderful opportunity to share and reflect in a relaxed atmosphere.

Together we want to reflect not only on the highlights and challenges of the past year, but also take a look at the scientific perspectives and goals for the coming year. It is a good opportunity to exchange ideas, make new contacts and inspire each other. Drinks and snacks will be provided.

Registration is requested by **26 November 2026** by e-mail to:
