Director

No. IITD/IES1/U-3/2216

Dated: 20.06.2014

Dear Prof. Rohde:

On behalf of all of us at IIT Delhi, I have the great pleasure in requesting you to be an Honorary Professor at our Institute, starting 1.07.2014.

We are extremely keen to have eminent persons like you as an Honorary Professor at the Institute.

An Honorary Professor is expected to interact and motivate our faculty and students, give guidance where needed and applicable, oversee Ph. D. dissertations, support joint projects, support joint publications in international journals, including patent applications.

As the position is honorary, the Institute has no obligation to pay travel expenses or provide an honorarium, and this position is reserved for active professionals, scholars and scientists who like to support and enrich our Centre of Applied research in Electronics/RF and Microwave Group.

Looking forward to hearing from you and with best regards,

Yours Sincerely,

(R.K. Shevgaonkar)

Prof. Ulrich Rohde
