

Erratum

- p. 1: The last sentence in the third paragraph should read „In the plastic range, however, a given strain is associated with a load level that is higher for displacement-controlled than for force-controlled loading.” instead of „In the plastic range, however, a higher load level belongs to a given strain for displacement-controlled than for force-controlled loading.”
- p. 58: in the second-last line „flow law“ should read „yield condition“
- p. 104: „p“ in the load histogram of Fig. 4.5 should read „F“
- p. 221: in the first line „Eq. (6.42)“ should read „Eq. (6.48)“
