

Declaration of authenticity

The author declares that she/he has written this text independently, without outside help and without using any resources other than those specified. The ideas taken directly or indirectly from external sources (including electronic sources) are identified as such without exception. Sources used verbatim and in terms of content have been cited in accordance with the recognized rules of scientific work. The text has not been submitted in the same or a comparable form, not even in part, as part of another examination at this or another university.

It has not yet been published.

I agree that the thesis will be checked for plagiarism with the help of a plagiarism detection service.

Information on the use of AI-based tools

The following statement(s) apply(s) to my use of AI-based tools [please tick and complete if necessary]:

- ☐ I have not used any AI-based tools.
- ☐ I have used the following AI-based tool(s) for text correction and linguistic revision:
.....
- ☐ I have used a generative AI-based tool (e.g. ChatGPT) in my work and have attached the entire chat protocol to this submission as an appendix. I have indicated all text parts used according to the guidelines for generative AI tools.

I am aware that the use of texts or other content and products generated by AI-based tools does not guarantee their quality.
