## Organizing your study program

- Arrangement of modules flexibel  
only the two mandatory courses are fixed  
(according to the motto „stay rebel“)
- Crediting of ALL courses from former semesters possible  
prerequisite: should be in the module catalogue
- Module Complex  
“Technical, language, and methodological competencies”  
(Textlab, quantitative and qualitative methods, etc.)  
Examples:
  - 13811 Behavioral Resource Management: Thinking and Decision-Making  
under Risk and Ambiguity
  - 11851 Darstellung (only in German)
  - 12166 Planning in International context
