

Call for Participants: Join Our Local Erasmus Initiative!

Are you passionate about creating welcoming environments and fostering international connections? Do you want to make a meaningful impact on the experience of Erasmus students at our university? Then we invite you to become a part of our local Erasmus initiative!

What is a Local Erasmus Initiative?

A local Erasmus initiative is a student-led organization dedicated to supporting incoming Erasmus students during their exchange experience. We aim to create a vibrant and inclusive community where Erasmus students feel welcomed, supported, and empowered to make the most of their time abroad.

Our Goals:

- Facilitate Integration: Help Erasmus students settle into their new environment by providing information, assistance, and resources.
- Promote Cultural Exchange: Organize events and activities that celebrate diversity and encourage intercultural dialogue and understanding.
- Offer Support: Provide practical assistance with accommodation, administrative procedures, and other challenges Erasmus students may face.
- Build Connections: Foster friendships and connections between Erasmus students, local students, and the wider university community.

Who Are We Looking For?

We are seeking motivated and enthusiastic students who are committed to making a positive impact on the international student experience. Whether you're a current Erasmus student, a local student, or simply passionate about intercultural exchange, we welcome students from all backgrounds to join our team.

Benefits of Participating:

- Personal Growth: Develop valuable leadership, communication, and organizational skills as you work with a diverse team and engage with international students.
- Networking Opportunities: Expand your social and professional network by connecting with students from around the world and collaborating with university staff and partners.
- Enhanced Cultural Understanding: Gain a deeper appreciation for different cultures and perspectives through firsthand interactions and immersive experiences.
- Make a Difference: Have a direct and tangible impact on the lives of Erasmus students, helping them feel at home and supported during their exchange journey.
