In general, all participants of the ERASMUS+ exchange programme will receive financial support intended for related costs in a foreign country. Condition to this is that the student is enrolled in a degree programme in Germany, which will lead to a recognized qualification, and has already completed at least one academic year of said degree programme. The amount of funding is based on the different costs of living in the host countries. In Germany, the following amount of funding is used:

Country group	Destination	monthly allowance
Group 1	Denmark, Finland, Ireland, Iceland, Liechtenstein, Luxembourg, Norway, Sweden	600 Euro
Group 2	Belgium, France, Greece, Italy, Malta, Netherlands, Austria, Portugal, Spain, Cyprus	540 Euro
Group 3	Bulgaria, Croatia, Czech Republic, Estonia, Hungary, Latvia, Lithuania, Poland, Romania, Slovakia, Slovenia, FYR of Macedonia, Turkey	490 Euro

Funding is available for **4 months / 120 days** per semester abroad (max. 2 semesters).

Students who have already received ERASMUS+ funding during their Bachelor's studies can also apply a second time for a place on a Master's and/or doctoral programme. The period must be counted towards the total possible funding period of 12 months per study phase.

The ERASMUS+ grant is paid out in **two instalments**:

- a first instalment of 80% of the total amount at the beginning of the study abroad period and
- a second instalment of 20% of the funding amount after your return, once all the necessary documents have been submitted.

Additional funding for green travel and participants with fewer opportunities is also possible. For more information, please refer to the separate information sheet.

The ERASMUS+ coordinators at the International Relations Office will inform you about all the necessary steps and formalities before and during your semester abroad.
