Homs City / Syria in 2016: A neighbourhood view of a city waiting for revival - Hassan Ammar/Associated Press

Colloquium Session 1: Teamwork presentations about Aleppo, Bosra, Homs, Raqqa

The colloquium sessions are one of the 2022 pillar activities in the framework of BTU-AUB capacity-building project on post-conflict rehabilitation and reconstruction of historic cities. These sessions will take place online. The first session will focus on the status quo of the groups' studies on various historic districts of Syrian cities. In this session, the teams will present the latest updates regarding their case studies and discuss their next planned steps among the project participants as well as the cooperation members.
