

The **BTU** is a young university that is actively helping to shape the structural change in Lusatia to phase out lignite and is providing scientific support for transformation processes in many ways. In the coming decades, the region will be one of the most exciting real laboratories in Germany, from which groundbreaking development impulses are to emanate. Employment at the BTU therefore promises more than ever participation in development processes towards a sustainable and climate-friendly future.

The **Faculty of Architecture, Civil Engineering and Urban Planning** of Brandenburg University of Technology (BTU) Cottbus – Senftenberg, invites applications for a

PROFESSORSHIP

Visual Arts (w2)

(Succession of Prof. Josef Achermann)

with artistic orientation commencing at the earliest opportunity.

We are seeking an outstanding personality with an independent artistic work in the field of sculpture, who exhibits a focus on spatial practice, or an engagement with spatial perception.

The emphasis in teaching should be in the mediation of classical as well as experimental techniques in drawing, painting, sculptural design, performance and moving image. 'Material' as basis for spatial context should be reflected upon and made haptically perceptible. Artistic strategies and design techniques shall be taught in particular to students of architecture and urban planning; teaching duties shall be performed in all levels of the Bachelor's and Master's degree courses within the faculty in the form of project-based studies and specialized seminars.

Active third-party fund-raising and interdisciplinary cooperation in teaching and research within and outside the faculty are expected, as is experience in the implementation of artistic development projects and the active further development of one's own work with accompanying exhibitions and publications. Accepting responsibility to promote further qualifications of employees, cooperation in internal administrative duties and in the enhancement of the faculty profile is assumed. Supervision of "Kunst am Bau" projects on the campus of the BTU is desired.

Experience in the acquisition and realization of third-party funded projects is expected. Fields of research should be relevant for the DFG (German Research Foundation) or similar international research funding organisations.

For further information please contact Prof. Per Pedersen, Tel. +49 (0)355 69-2260 / email: [pedersen@b-tu.de](mailto:peder-sen@b-tu.de).

Other duties result from the requirements set by § 42 Brandenburgisches Hochschulgesetz (Higher Education Act of the State of Brandenburg - BbgHG) in conjunction with § 3 BbgHG.

Please refer to §§ 41 paragraph 1 no. 1 - 4a and 43 BbgHG for Prerequisites and conditions of employment.

BTU Cottbus-Senftenberg is committed to equal opportunities and diversity and strives for a balanced gender ratio in all employee groups. Person with a severe disability and their equals are given priority in the case of equal suitability.

As a family-oriented University, BTU offers a Dual-Career-Services.

The application, including academic certificates, curriculum vitae, a list of publications, as well as proof of teaching experience, should be sent by e-mail in a single pdf file with a max. 7 MB until **28.01.2022** to:

Dean of the Faculty of Architecture, Civil Engineering and Urban Planning
