3. Juli 2024

The Chair of Energy Economics at Brandenburg University of Technology Cottbus-Senftenberg is seeking to fill the following position soon as possible:

Student Assistant Part-time (10h/Week)

Contract Type: limited for 1 year, possibility of extension

At BTU Cottbus-Senftenberg Chair of Energy Economics, you will be part of a young, dynamic team.

Key Responsibilities:

- Assist research associates in conducting literature reviews, data collection, and data analysis.
- Perform data cleaning, manipulation, and visualization using software tools such as Python and R.
- Manage and organize project-related documents and data.

Qualifications:

- Currently enrolled in a BTU degree program (Master's program is preferred).
- Strong knowledge and experience in data analytics and statistical software, particularly Python and R.
- Basic understanding of data visualization tools and techniques.
- Excellent organizational skills and attention to detail.
- Ability to work independently, flexible

Please send a 1-page Curriculum Vitae exclusively by e-mail at: akkal-dev@b-tu.de until 31.07.2024.
