

7th April 2022

**Welcome to
BTU Cottbus-Senftenberg**

Admissions and Registrar's Office

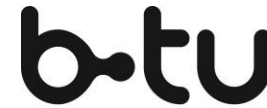

STRUCTURE

1. Admissions and Registrar's Office
2. Examination regulations
3. Dates and deadlines
4. Examination registration
5. Online portal
6. Module examination with their special regulations
7. Information portal: teaching
8. myBTU-Portal

1. Admissions & Registrar's Office

Where can I get some help?

Brandenburgische
Technische Universität
Cottbus - Senftenberg

The Admissions & Registrar's Office is responsible for all general study matters.

Areas of responsibility:

Starting with the enrolment, finishing with the final degree:

We are the right partner!

1. Admissions & Registrar's Office

Where do I get my answers?

Brandenburgische
Technische Universität
Cottbus - Senftenberg

How you can use the service offer:

In person at all three locations

- for **general** questions and concerns regarding your studies as well as your student ID card your contact is the info point – open daily at the central campus
- for individual questions and concerns your contact is your study program clerk with open hours tuesdays and thursdays at all three locations

Online or at the self help terminal

- Online portal, information portal teaching
- self help terminal for validation print on student ID card (semesterticket)
 - Central campus: main building
 - Sachsendorf : building 7
 - Senftenberg: building 2 / library

You can find all information here: www.b-tu.de > for studies > Admissions & Registrar's Office

1. Admissions & Registrar's Office

What about online?

The screenshot shows the BTU website interface. At the top left is the BTU logo and name. At the top right are 'Quicklinks' and language options 'DE' and 'EN'. Below the header is a large banner image of a modern building with a curved glass facade. A navigation bar contains 'University', 'Research', 'Study', 'International', and 'University life'. The 'Study' menu is open, showing a list of options: 'Information & Consultation', 'What to Study', 'Application', 'Enrolment', 'Study Start', 'For studies', and 'After Graduation'. A pink arrow points to the 'For studies' option. Below the navigation bar, there are several content blocks, including one for 'EUNICE' and another for 'Learn where the future is being shaped - vocational training at BTU'. A search bar is visible on the right side of the page.

1. Admissions & Registrar's Office

What about online?

Brandenburgische
Technische Universität
Cottbus - Senftenberg

The screenshot shows the website for the Admissions & Registrar's Office at BTU Cottbus-Senftenberg. The page layout includes a top navigation bar with a search bar and language options (DE, EN). Below this is a secondary navigation menu with categories like University, Research, Study, International, and University life. The main content area is titled 'Admissions & Registrar's Office' and includes a welcome message. A sidebar on the left lists various services such as 'News Update', 'contact person', 'Dates and Deadlines', and 'Examinations'. The central part of the page features a photograph of two students in an 'INFOTHEK' (information library) setting. To the right of the photo, there are sections for 'News Update', 'Quick Guide' (with links to various portals), and 'BTU Contacts' (listing international relations, student advisory, and other support services). At the bottom, there is a section for 'Application, Admission, Enrolment' with a brief introductory text.

You can find all information here: www.b-tu.de > for studies > Admissions & Registrar's Office

2. Examinations regulation

Everything you need to know!

Meaning

- legally binding base for your studies
- **everyone** should **know** and **respect** the examinations regulation!
all examinations regulation are to find at different places on the website:

www.b-tu.de > Studierende > Studierendenservice > Ordnungen und Formulare

www.b-tu.de > Informationsportal-Lehre > Prüfungsordnungen

www.b-tu.de > Fakultäten und Einrichtungen > Studiengang > Ordnungen

It is mandatory for your studies that you know the detailed content of the examinations regulation!

A word cloud containing the following terms: Contents, Deadlines, Mandatory, Rules, Credits, modules, Study, Programme, Regulations, Curriculum, Examination. The words are in various colors (blue, green, pink, yellow) and sizes, arranged in a circular pattern.

3. Dates and deadlines

When do I have to think about what?

Brandenburgische
Technische Universität
Cottbus - Senftenberg

Registering for the following semester

The registering for the following semester takes places as soon as you transfer the semester fee for the upcoming semester to our bank account during the communicated time periode

Time periode for the winter semester 2022/23:

25.06.2022 – 31.07.2022

**If you fail to register for the following semester
you automatically get expelled!**

4. Examination registration

How do I get registered?

Brandenburgische
Technische Universität
Cottbus - Senftenberg

How and where?

online – with your validated BTU account checking into the Online Portal:

QIS and LSF are products of **HIS: eG**

The **BTU-account** is so much more!

Brandenburgische
Technische Universität
Cottbus - Senftenberg

Your BTU-account is enormously important.

You need him in order to:

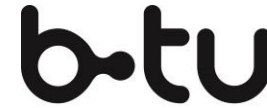

- Register to and sign off of the module examinations / opening of certificates
- Log into the Wireless LAN of the BTU
- Central mailing box
 - If we write you emails, we use your BTU account address
 - Therefore: Please check your inbox regularly (you can fast forward your mails to your personal inbox)
- You can see all mandatory adjustments and change your password and mail modulations under: www.b-tu.de > account
- You can find your BTU-Webmail-Portal under: webmail.b-tu.de/

5. The Online Portal Examinations

The screenshot shows the user interface of the online portal. At the top right, there are links for 'Help', 'Sitemap', and a German flag. A blue navigation bar contains 'Home | Logout |' and 'You are logged in as: nobiesus | acting as: Student |'. Below this, there are sections for 'My Functions', 'Students Corner', and 'Documentations'. A breadcrumb trail indicates the current location: 'You are here: Home > Administration of Exams'. The main content area is titled 'Administration of Exams' and contains three links: 'Registration and Deregistration from Module Examinations', 'Registered Module Examinations', and 'Transcript of Records'. A pink arrow points to the first link. At the bottom, there are links for 'About' and 'Privacy Policy', and a note that 'QIS and LSF are products of HIS: eG'.

Registration and Deregistration from Module Examinations

Information – Please read carefully!

The binding registration and deregistration deadlines for module examinations are a result of the [current module description](#) in conjunction with the [semester schedule](#) for the particular semester.

- Registration for modules with a limited number of participants: two weeks prior to the commencement of lectures.
- Registration for modules without a limited number of participants: 1st to 3rd week of lectures
- Registration dependent on the composition of the module examination (Final Module Examination, Module with Continuous Assessment)

Should an online registration or deregistration not be possible during the respective deadlines, please contact the registrar's office during the consultation hours. Registrations and deregistration of additional modules or theses should generally be done at the registrar's office.

Accepting these indications by clicking allows you to proceed to your desired operations.

6. Module examination with their special regulations

What do I have to look for at the registration?

Brandenburgische
Technische Universität
Cottbus - Senftenberg

There are two kinds of modul examinations with different rules for the registration

Kind 1:

Modul with **Continuous Assessment (MCA)**

Exam accomplishments are due during the semester

Registration and deregistration always during the first to third class week

Examination registration and deregistration for the summer semester 2022:

11.04.2022 – 01.05.2022

6. Module examination with their special regulations

What do I have to look for at the registration?

Brandenburgische
Technische Universität
Cottbus - Senftenberg

There are two kinds of modul examinations with different rules for the registration

Kind 2:

Modul with final examination (MAP)

Exam accomplishments are due during the examination periode, it's possible that there a restraints (e.g. succesful attendance of the laboratory internship)
If you didn't pass the restraints → automatical deregistration

First **registration** during the first to third class week

Examination registration for the winter semester :

11.04.2022 – 01.05.2022

The **deregistration** of a MAP is possible up to one week before the examination periode during which the examination is to take place

1. Examination periode :01.08.– 14.08.2022

2. examination periode: 17.09. – 30.09.2022

6. Module examination with their special regulations

What do I have to look for at the registration?

Brandenburgische
Technische Universität
Cottbus - Senftenberg

There are some specialties:

Moduls with restraint participants!

Registration during the 2 weeks before the beginning of classes

Examination registration for the summer semester 2022:

28.03.2022 – 10.04.2022

Deregistration is depending on the modul character:

MCA: first three weeks of classes

MAP: up until one week before examination periode

Current Module Description

Functions:	PRINTABLE VERSION PDF
Module Number:	11109
Module Title:	Mathematik W-1 Mathematics W-1
Department:	Faculty 1 - Mathematics, Computer Science, Physics, Electrical Engineering and Information Technology
Responsible Staff Member:	<ul style="list-style-type: none">• Prof. Dr. rer. nat. habil. Wunderlich, Ralf• Prof. Dr. rer. nat. Hartmann, Carsten
Language of Teaching / Examination:	German
Duration:	1 semester
Frequency of Offer:	Every winter semester
Credits:	6
Learning Outcome:	The students acquire knowledge in mathematical methods for solving simple problems arising in economics and engineering. Basic concepts of linear algebra and an introduction to calculus are imparted. Students become familiar with handling of mathematical objects and structures (such as number, set, matrix, vector, mapping) and in logical inference. Exercise courses and home works will lead to sound skills by autonomously solving simple problems. Students will be qualified for solving problems and for the assessment of available mathematical methods. They achieve skills for the abstraction and for a mathematically correct presentation of approaches. Main topics of the first semester are linear models including simultaneous linear equations. Introducing the concept of

8. my BTU Portal the online service for student management

- view and download certificates and notices
- Information on how to pay your semester fees
- Submission and processing of applications z.B. for leave of absence, exmatriculation
- change of contact details

The screenshot displays the my BTU Portal interface. At the top, there is a navigation bar with the BTU logo, a search bar labeled 'Menü durchsuchen', and user icons. A green banner below the navigation bar indicates the user is in 'Modus: Test/Qualitätssicherung'. The main content area is divided into two sections: 'Meine Meldungen' (My Messages) and 'Quicklinks Studierende' (Quicklinks for Students). The 'Meine Meldungen' section contains a notification: 'Ihr Studierendenstatus hat sich geändert: Sie wurden für das Sommersemester 2022 rückgemeldet.' (Your student status has changed: you have been re-enrolled for the summer semester 2022), dated 01.03.2022 - 17:18 Uhr. Below this are links for 'Alle Nachrichten entfernen' and 'Meine Kommunikationskanäle'. The 'Quicklinks Studierende' section is a grid of colored buttons: 'Studienservice' (green), 'Exmatrikulation' (blue), 'Erstattung von Guthaben' (teal), 'Beurlaubung' (orange), and 'Änderung Personendaten / Antrag auf Teilzeit' (maroon). A pink oval highlights the 'Quicklinks Studierende' section.

§§ Genehmigt

Informationen

Sie können auf dieser Seite Anträge auf Beurlaubung vom Studium stellen und an den Studierendenservice übermitteln.

Die Beurlaubung kann nur bei Vorliegen wichtiger Gründe erfolgen. Bei Antragsstellung sind von Ihnen geeignete Nachweise durch Hochladen der entsprechenden Dokumente beizufügen.

Während der Dauer der Beurlaubung ruht das Recht auf Anmeldung zu Modulen und auf den Besuch von Lehrveranstaltungen. Wiederholungsprüfungen in Modulen mit Modulabschlussprüfung können erbracht werden.
