Important information

- **Application:** The application for the Deutschlandstipendium is made via the [online portal](#). Your application will be assessed on the basis of [selection criteria](#) (academic achievements, social commitment, social, family and personal circumstances). Please upload the documents listed in the [checklist](#). In addition, please submit proof of social, political and/or personal commitment, proof of special personal, social or family circumstances (examples can be found in the [checklist of evidence](#)) and proof of other sources of funding (e.g. BAföG, scholarships).
- **Using the online portal:** Please only use the [online portal](#) for your application. Unfortunately, e-mails or scans cannot be processed.
- **Minimum performance score:** The minimum performance score is ≤ 2.5 . Applications with an average grade of > 2.5 will be rejected.
- **File format:** Attachments can only be uploaded to the online application portal in PDF format.
- **Deadlines and completeness:** Only complete applications submitted by the deadline will be considered. Subsequent submission of documents is not possible.
- **Timely submission:** Please submit your application in good time. Uploading documents takes some time. The application portal closes automatically on July 11, 2025 at 11:59 pm. No more applications will be possible after this time.
- **Language translations:** If the application documents are not written in German or English, an officially certified translation in German must be enclosed. University entrance qualification: Applicants with a foreign university entrance qualification must enclose the UNI-ASSIST examination certificate with the German average grade with their application.
- **Decision and notification:** A selection committee decides on the awarding of scholarships. Each applicant will receive written notification of the decision on his/her application. The scholarships will be awarded at a ceremony.
- **Queries:** To avoid queries, please state your course of study, the degree you are aiming for and your semester of study when sending questions by e-mail.
