**Important information**

- Applications for the Deutschlandstipendium are submitted via the online-portal. Your application will be assessed on the basis of selection criteria (academic achievements, social commitment, social, family and personal circumstances). Please upload the documents listed in the checklist. In addition, please submit proof of social, political and/or personal commitment, proof of special personal, social or family circumstances (examples of these can be found in the checklist for evidence) and proof of other sources of funding (e.g. BAföG, scholarships).

- Please only use the online portal for your application. Unfortunately, e-mails or scans cannot be processed.

- Attachments can only be uploaded to the online application portal in PDF format.
• Only complete applications submitted by the deadline will be considered. It is not possible to submit documents later.

• Please submit your application in good time. Uploading documents takes some time. The application portal closes automatically on July 12, 2024 at 11:59 pm. No more applications will be possible after this time.

• If the application documents are not written in German or English, an officially certified translation into German must be enclosed.

• A selection committee decides on the awarding of scholarships. Each applicant will receive written notification of the decision on their application. The scholarships will be awarded at a ceremony.

• To avoid any queries, please send an e-mail (deutschland-stipendium@b-tu.de) stating your course of study, the degree you are aiming for and your semester of study.

Many thanks in advance.
