

INFORMATION SHEET ON THE LETTER OF MOTIVATION

Form

Your letter of motivation should not be longer than one DIN A4 page.

Please make sure that it is in a clear and legible form (e.g. paragraphs) and include your contact details and signature. Please use the salutation "Dear Sir or Madam". Your letter of motivation is addressed to the members of the selection committee.

Structure

You should consider the questions below in your letter of motivation. The questions are only a suggestion for your text, they do not have to be mentioned. The division into 1 and 2 does not have to appear in your letter.

Please remember that financial need is not a selection criterion. The Deutschlandstipendium is awarded to high-achieving and socially committed applicants.

Questions

Why are you applying for a Deutschlandstipendium at BTU?

What advantages does the Deutschlandstipendium offer in relation to your studies?

More Questions

1. Why should you receive a Deutschlandstipendium?

What are your academic goals? What are your professional goals? What achievements have you made?

2. Are you involved in social / community / voluntary work? What does this commitment look like in concrete terms?

3. How has your career developed so far, have there been any particular biographical "obstacles" that you have overcome? (first university graduate, migration background, disability, etc.)

4. Have you already received prizes and awards related to your chosen course of study during your time at school or university?
