

THE PERFECT START FOR YOUR STUDIES!

In the orientation week, you will receive all important information about BAföG (German Federal Training Act), living accommodations, schedules, university offers and your everyday student life.

With great activities and many opportunities to meet other first-year students.

We at OTIWO e.V. will show you the way through the university jungle: As current and former first-year students, we are here to help with tips, answers and a good cheer.

We are looking forward to meet you!
